

50 Myths and Lies That Threaten America's Public Schools: The Real Crisis in Education by David C. Berliner, Gene Glass and Associates

The American common school system has been under serious attack for four decades—since the defective 1983 Nation at Risk report. Myths and lies have been the ammunition used by privatizers to whack the common school system imposed by the education provisions of the Constitutions of each of the 50 states.

Berliner, Glass and associates have abridged a plethora of these myths and lies into 50, listed and examined in a book (no cost).

In Ohio, at the moment, the EdChoice voucher scheme is one of the most existential threats to the continuation of the common school system. These 50 myths and lies have smoothed the path to the EdChoice voucher scheme in Ohio.
