

November 7 Columbus Dispatch: Worthington pool levy passes

Worthington, Ohio voters passed a .94mill levy for 20 years to fund the replacement of the public pool. Some Worthington residents will not use the public pool, choosing rather to build and maintain their own pool or pay membership at a private Swim Club.

In the spirit of the universal EdChoice school voucher scheme, those residents who choose the private route should get a SwimChoice voucher; after all, the SwimChoice residents will be paying .94mill for the public pool. As one prominent central Ohio legislator said regarding the universal EdChoice school voucher scheme—it's about time the high-wealth people get some of their tax money back in the form of school vouchers. So why not give those who can afford a pool or private pool club membership a SwimChoice voucher?
