League of Women Voters February 12, 7:00 PM Forum on vouchers and fair school funding.

Attached is a [flyer](#) announcing the February 12, 7:00 PM Fair School Funding vs Vouchers webinar. This is a unique opportunity to get the latest update on the tension between the state's responsibility for securing a thorough and efficient system of common schools and the current legislature's propensity to flitter away the state's tax funds to the unconstitutional EdChoice voucher scheme.

The League of Women Voters has a very long, enduring record of championing adequate and equitable school funding in Ohio.
