

Report of Charter School Reckoning: Decline, Disillusionment, by National Center for Charter School Accountability (NCCSA)

NCCSA is a project of Network for Public Education (NPE). Part II was issued early in December 2025. The report is an important document that is helpful in understanding funding involved in the charter school industry.

In fiscal year 2025, state officials in Ohio shelled out \$1,342,484,132.36 to charter schools.

Readers may wish to run off a copy of the report for future reference.
