

Dan Heintz, teacher and school board member: EdChoice voucher support might be a problem for legislative candidates.

Dan Heintz, in a recent column in the Cleveland Plain Dealer: "Allowing a billion dollars a year of taxpayer money to be hijacked by the unconstitutional EdChoice voucher program will be hard for GOP legislative candidates in November. Too many of the voters they rely on have recognized the dirty truth of EdChoice: If your family is not receiving a voucher, your family is paying for a voucher."
