The Coalition's new book, written by Dr. Thomas Poetter and 12 Miami University graduate students, highlights the private school voucher program. Read it online or request a print copy.

During Summer 2026, Dr. Poetter, Professor, Department of Educational Leadership, Miami University, Oxford, Ohio taught a course called "Curriculum, Politics, and Policy" . Twelve graduate students enrolled in the course. Dr. Poetter and the students researched the private school voucher issue and wrote, Right Down the Drain: The Costs of Siphoning Billions in Ohio Public Funding into Private School Vouchers during the timeframe of the course.

The book is available at no cost to those interested. Contact the Coalition Office at ohioeanda@sbcglobal.net or 614.228.6540 to request a print copy.
